

dynaCERT Inc. Announces Extension of Private Placement

dynaCERT Inc. ("dynaCERT" or the "Corporation") (TSX VENTURE: DYA) announces that it has extended the closing of its non-brokered private placement offering (the "Offering"), announced on October 2, 2015.

Pursuant to the Offering, the Company will sell up to 15,000,000 units (each, a "Unit") at price of \$0.10 per Unit. Each Unit will be comprised of one common share in the capital of the Corporation (each, a "Common Share") and one-half of one (1/2) common share purchase warrant (each, a "Warrant"), with each whole Warrant being exercisable into one Common Share at a price of \$0.15 for a two-year period from the date of issuance. The Warrants will include an acceleration clause to the effect that if at any time after four (4) months and one (1) day following the issuance of the Warrants, the closing trading price of the Common Shares on the TSX Venture Exchange (the "Exchange") is greater than Cdn\$0.30 per Common Share for a period of ten (10) consecutive trading days, then dynaCERT may give notice to the holders of Warrants of its intention to force the exercise of the Warrants, following which the holders thereof shall have a period of 30 days to exercise the Warrants, failing which the Warrants will automatically expire. The proceeds of the Offering will be used for working capital.

The Offering is scheduled to close on November 27, 2015 and closing of the Offering is subject to receipt of applicable regulatory approvals, including approval of the TSX Venture Exchange.

About dynaCERT Inc.

dynaCERT Inc. (TSX VENTURE: DYA) manufactures, distributes, and installs Carbon Emission Reduction Technology for use with internal combustion engines. Our patent-pending technology creates hydrogen and oxygen on-demand through electrolysis and supplies these additives through the air intake to enhance combustion, resulting in lower carbon emissions and greater fuel efficiency. Our technology is currently in use with on-road applications. More information can be found at www.dynacert.com.

READER ADVISORY

Except for statements of historical fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of the release.
